

June 2016

Dear Music Major:

I hope that your summer is off to a wonderful start and that it will contain many opportunities for you to grow musically and spiritually.

I am sending you your first semester registration packet. These materials will allow you to select courses and lock in your first semester schedule. You will be registered on a first-come, first-served basis, so don't delay in registering for your Fall classes **online through your Bannerweb account**. Contained in this packet are the recommended courses for freshman music majors (BM and BME), as well as the schedule of classes. You can view this same information at:

<http://www.wheaton.edu/Academics/Services/Registrar/Freshman-Advising>.

Look for the draft paper schedule in this packet. It has your private lesson and some required music courses already filled in. After you finish planning your entire Fall schedule, please register online, in real time, from **July 6 thru 29**. After July 29, no changes will be accepted until after you meet with your Freshman advisor at Orientation. Watch your my.wheaton.edu emails for "Registration Updates & FAQs".

If you have taken courses for credit at another college, please ask that school to send an official transcript to the Wheaton College Registrar at your earliest convenience. After your transcript has been received and evaluated, any applicable transfer credits will be included on your Wheaton College Bannerweb transcript.

You may contact Conservatory Academic Administrative Assistant Susan Brinkman, at conservatory.advising@wheaton.edu, (630) 752-5487, with any questions.

We are excited about all that God has in store for you here at Wheaton – both what you will receive and what you will contribute – and we are praying for your smooth transition to college life. May God bless you with a productive and fruitful summer.

As always, if you have any questions or if there is any way that I might be helpful to you or your family, please do not hesitate to contact me.

With the hope of every blessing to you and yours,

Michael D. Wilder, Dean
Conservatory, Arts & Communication
