Notes or Special Guidance for Majors:

*Course has prerequisite

^F Fall only course

^S Spring only course

[#] Offered every other year

¹ Courses for the French major that meet CATC tags: FREN 347 (LE), FREN 348 (LE), LING 331 (DUS)

² Though only one is required, both FREN 347 and FREN 348 are strongly recommended for students planning to pursue graduate study in French. ³ Students planning to teach on the secondary level are required to take FREN 371 Methods of Teaching Foreign Languages

⁴ Students are strongly encouraged to study overseas, either with the Wheaton in France program or a semester program in France (FREN 335 Francophone Civilization and Culture, FREN 338 Advanced French in Francophone Country, plus other coursework to equal 12-15 semester hours) through a GPS-approved semester program. Most students choose either the semester in France or the summer program in France, but some decide to do both programs.

⁵ French 347 Francophone Literature is offered even years in Fall only and has been approved as HNGR elective.
