

2:22 Program Overview

Spiritual Theme of 2:22:

Main Verse: 2nd Timothy 2:22 - This is the core verse that the 2:22 program is founded upon. It frames our spiritual themes, our program elements, and our schedule.

We are focusing not only on fleeing from the desires of this world, but also on the pursuit of godliness alongside others in close-knit, Christian community. We believe that connection within a community of faith is essential for progress in sanctification and perseverance in the faith.

Campers have firmly established spiritual rhythms during the camper session that we challenge them to continue when they return home.
