AUDIT POLICY

Undergraduate:

With permission of the course instructor, any Wheaton student may audit up to two courses a semester by filing an approved audit application at the Registrar's Office by the second week of the course. A \$50 audit fee is charged per course, plus any course fees. An audit does not meet any Wheaton degree requirement. No credit is given for courses audited. To have the audit recorded as completed on a student's transcript, the student is required to complete certain course requirements. Private lessons, tutorials, internships, practicums, independent studies, and courses taken during study abroad programs cannot be audited. Students may not audit any class for the purpose of preparing for a competency exam.

Graduate School

Any student carrying a full-time academic schedule (8 or more semester hours) may audit one course without charge by filing an approved audit application at the Registrar's Office. In addition, part-time graduate students who will complete *all* graduation requirements by the end of the current semester are entitled to a free audit. No credit is given for courses audited. To have the audit recorded on a student's transcript, the student is required to complete certain course requirements. In addition to the audit fee, any course fees will also be charged. Part-time graduate students auditing courses are charged the student audit rate.

Spouse Audits: The audit privilege for a full-time graduate student may be used by the student's spouse if the student is not auditing a course. Application for a spouse audit is made through the Graduate Admissions Office.
