

INCOMPLETE REQUEST FORM

The catalog states that “an incomplete grade (INC) may be assigned only for deficiencies as a result of illness or situations beyond the control of the student and not because of neglect on the part of the student.”

An incomplete grade can be assigned by the instructor for any length of time up to the end of the sixth week from the end of the course. This request must be submitted to the Registrar no later than 4:30 p.m. on the last day of final exams of the quad/semester or the last day in the part of term (summer) in which the incomplete grade is requested. Once the drop deadline has passed, a class cannot be dropped after an incomplete has been entered. If an incomplete grade is granted during the student's final semester, the student's graduation date will be adjusted to the following semester.

This form has multiple sections to be completed in the following order:

1. Student completes **STUDENT** section, page 1.
2. Student sends for **SIGNATURES** on page 2.
 - a. If student is connected to a College Official* who is aware of the reasons for the Incomplete, the student can send the Incomplete Form to College Official to sign in support of the Incomplete.
 - b. If student is not connected to a College Official, faculty must waive this requirement if they are still in support of the Incomplete.
 - c. If in agreement, the Instructor signs the form and sends it to the student and the Registrar’s Office for processing.

The Incomplete period can be no longer than 6 weeks from the last day of the part of term for the course and will default to 6 weeks if no earlier date is entered below. Two weeks after the deadline has passed, the grade will automatically be converted to an F, unless the instructor submits a Grade Change form to the Registrar’s Office.

In summer 2024, the 6-week deadline date for work to be submitted to the instructor varies. The 6-week deadline is dependent upon the last date of the part of term for the course, which is viewable on the [course schedule](#).

Optional: I am requiring an earlier date for the student to submit work to me, and the date is: _____.

Required: I will submit a Grade Change form within 2 weeks after this deadline (unless earlier date is indicated above), unless the grade should default to an F.

Instructor Signature _____ Date _____

Instructor, please submit this form to registrar@wheaton.edu and **send a copy to the student for their records.**

Upon receipt of the form with all signatures, the Incomplete grade will be processed by the Registrar’s Office. Instructors, if the INC grade does not appear in Banner Self Service at the time you assign Final Grades at the end of the semester, you can leave the grade blank, and the Registrar’s Office will assign the INC before rolling grades to students’ transcripts.

If the course is not completed within the six-week time limit, a grade of F will be assigned. The six-week time limit may be extended only by special permission of the Registrar and approval of the instructor. Students must submit an Incomplete Extension Petition (on the Registrar’s Office website) **before the original incomplete deadline.**

In no case may an incomplete be extended beyond six months from the end of the semester.
